May 25, 1977

Dear Supporters and Friends of American Legion Baseball:

The 1977 Legion baseball year is here, and it promises to be another outstanding year of exceptionally good baseball.

I believe you will agree with me that here is a program that grows young men into productive adulthood, and that is really what it is all about. Yes, being a productive American is the goal these young men seek.

Thank you, Mr. Supporter, for your trust and your financial help to make it possible to field our American Legion team in this year of 1977; for without your aid, it would not be possible.

To say it is a privilege to be the chairman of the 1977 Baseball Committee is an understatement, for it is not only a privilege but an honor that few people have the chance to do.

I have a group of people on the Baseball Committee that is outstanding. One only has to be among them to appreciate their undivided attention and dedication to play ball the American Legion way.

I thank all of you,

Gordon Fordyce
Chairman
American Legion Baseball Committee
