Post Commander

Again, we are fielding three teams, the Governors "AA" and two "A" teams, the Scarlets and Royals. The players are enthusiastic, full of desire, and very optimistic. All they need is your encouragement and support to make this season entertaining and fun for all.

Thanks to the organization and businesses that have supported us in the past and again this year. With community support it has made baseball an excellent summer program. Thanks again.

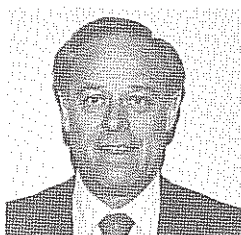

Many hours of hard work from a fine committee of volunteers and a capable coaching staff are essential in making the baseball program a success. I extend the appreciation of the players and myself to you for a job well done.

We welcome all visiting team members and fans to Bismarck. If we can help to make your stay more comfortable, please contact any of the following committee members.

To An Older Athlete

There are little eyes upon you,
and they're watching night and day,
There are little ears that quickly
Take in every word you say;
There are little hands all eager
To do anything you do;
And a little boy who's dreaming
Of the day he'll be like you.

You're the little fellow's idol,
You're the wisest of the wise,
In his little mind about you,
Can no suspicions ever arise;
He believes in you devoutly,
Holds that all you say and do,
He will say and do in your way
When he's grown up just like you.

There's a wide-eyed little fellow,
Who believes you're always right,
And his ears are always open,
And he watches day and night.
You are setting an example
Every day in all you do,
For the little boy who's waiting
To grow up to be like you.

Bismarck American Legion Baseball

The Bismarck 1994 American Legion Baseball Program will consist of three teams - the Governors, Royals, and Scarlets. Our goal in 1994 is that all interested ballplayers be given the opportunity to play Legion baseball in Bismarck. The Governors, our "A" varsity team, will play about a 65 game schedule. Post-season play will include the Western Division Tournament in Minot and the State Tournament in Fargo.

North Dakota American Legion Baseball is set in two divisions geographically, East and West. Bismarck is a member of the Western Division along with Mandan, Dickinson, Minot, and Williston. At the end of the regular season, each division has a tournament to decide which teams will represent that division in the State Tournament. The state champion then enters a Regional Tournament against South Dakota, Minnesota, Iowa, Nebraska, Kansas, and Missouri Champions and a host team. The winner of that tournament advances to the American Legion World Series to determine the National Champion.

This season the Bismarck American Legion Baseball Program will again sponsor two "B" teams - the Scarlets and Royals. The Scarlets will consist of 15 players in the 14 - 16 year age bracket, and will play approximately 55 games. The Royals will carry about 16 players in the 14 - 15 year age bracket, and will play about 45 games. Squad members on the Scarlets and Royals are chosen on a leveled structure parallel to a junior varsity - sophomore team setup. Practices begin the middle of May, with the season concluding the 3rd week in July with participation in a District Tournament. There is an opportunity to advance to Regional and State competition for the district winner. Weather permitting, practices are held each day that games are not scheduled.

We welcome any interested youth between 14 and 16 years of age to try out for this program. It is an opportunity to be exposed to a high caliber of baseball in preparation for a varsity career. This is accomplished by spend-

ing the practice times on the basic fundamentals of the game. Although roster numbers are limited, we are hopeful that the two-team structure will allow any interested young man the opportunity to become a quality baseball player.

Historically, the Bismarck American Legion Baseball Program has been financed by the Lloyd Spetz Post No. 1, which donates a portion of the costs of the program. The Lloyd Spetz Post No. 1 and its Athletic Committee are particularly grateful for the money, services, and time donated by the many individuals, organizations, and businesses which is a vital part of funding this program.

The Program has much to offer any young man that is involved with it. Along with providing an opportunity to play baseball at a top-notch level, it can provide an opportunity to make friends, to do some traveling, learn the game of baseball, and belong to a prestigious organization such as American Legion Baseball.

The Bismarck American Legion Baseball Program, along with the Bismarck Parks and Recreation also co-sponsors the Bismarck Babe Ruth Program. Although the major objective we wish to achieve is a recreational activity for this age group, we also wish to develop baseball skills to enable participants to become better players and fans.

The Babe Ruth League consists of young athletes who have completed the 7th, 8th, and 9th grades. Players graduating from the Youth Baseball Program into the Babe Ruth League will find a more organized, more disciplined, more competitive type of baseball in order to develop their baseball skills.

Coaches for Babe Ruth League teams are people who have an interest in the development of youth and their talents. Whenever possible, the umpires for regular league games are chosen from the assistant supervisors of the Parks and Recreation Youth Baseball Program.

GENE SEVERSON

Gene Severson

GOVERNORS COACH

Coach Severson is a retired teacher from the Bismarck Public School System. He taught and coached at Northridge Elementary 30 years before retiring in 1993. He is a member of both the American Baseball Coaches Association and the Baseball Coach's Association.

Gene was a supervisor and coordinator of youth baseball for the Bismarck Parks and Recreation for 12 years before joining the American Legion Program. He was instrumental in organizing the Rookie League Baseball Program in 1977, the forerunner of the present Babe Ruth Program for 13-15 year olds. Coach Severson served as the varsity assistant during the 1978 season and was the Scarlets coach from 1979-1994. The Scarlets won the state 'B' championship in 1993.

Gene was the recipient of the Norwest Bank sponsored "Gold Award" in December, 1980 for his service and dedication to the youth of Bismarck. The Northridge Elementary School gymnasium was named and dedicated in his honor in September of 1988 for 30 years of coaching and supervising elementary sports programs at Northridge.

He and his wife, LeAnn, reside at 3128 Manitoba Lane.

JEFF SCHULZ

Jeff Schulz

GOVERNORS ASSISTANT COACH

Coach Schulz is a veteran of the Bismarck American Legion Baseball program. Jeff was first in uniform during the 1985 season as a member of the Royals and then went on to play four years for the Governors from 1986 through 1989. He participated in two All-Star games and three state tournaments and was on the Governors 1986 State Championship team.

Upon completing his Legion eligibility, Jeff accepted a scholarship to play baseball at Howard College in Big Spring, Texas. His sophomore year they won the Texas Junior College State Baseball Tournament and then went on to win the National Junior College World Series in Colorado. He then accepted a scholarship to play Division I baseball at Texas Tech University in Lubbock, Texas.

Following graduation he applied for and was accepted into the Physical Therapy program at Texas Tech having recently graduated. He has accepted a job at Titus Regional Medical Center in Mt. Pleasant, Texas beginning September 1st.

Jeff last coached in 1990 when he worked as assistant coach for the Bismarck Governors under then coach, Al Breuer.

World Class Training For All Athletes. . . You don't have to be a professional athlete to have a sports training program designed to meet your specific needs. In fact, most of the athletes at the Human Performance Center at St. Alexius are high school, college and recreational athletes who want to reach their maximum potential.

That's why the Human Performance Center has designed Activity Specific Resistive Training. General motions involved in a specific sport are enhanced by using a specially designed resistive sport cord to maximize strength development for specific muscles.

Activity specific resistive training is used in combination with other Acceleration training principles: plyometric drills, weight training and a super-treadmill capable of speeds over 25 miles per hour.

The Human Performance Center also offers an Adult Fitness Program, FREE injury screenings, injury prevention tips and fitness memberships.

For information on our programs, or to schedule a free injury screening, call the Human Performance Center at 221-8100.

STEVE FOLMER

Steve Folmer

SCARLETS COACH

Coach Folmer was born and raised in Wing, ND. He played his high school and legion baseball for Wing-Tuttle-Robinson.

After high school Steve went to Valley City State University where he received his degree in Elementary Education.

From college he began his teaching career in Sawyer, ND where he also served as Head Baseball Coach. Coach Folmer was there for three years taking the Flashes to the state tournament in 1990.

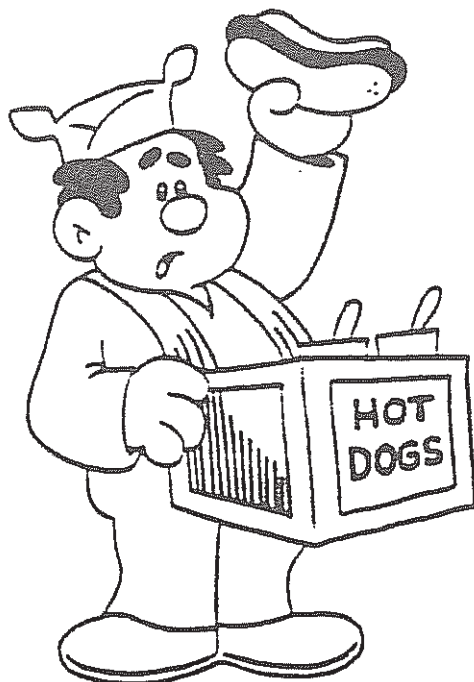

Tuttle was the next stop in Steve's career where he taught 5th and 6th grade and also served as head coach for the Wing-Tuttle Wildcats. He taught there one year.

In 1994 Steve went back to college to work on his master's degree in guidance and counseling. He is currently the counselor at Solen-Cannonball.

Steve is in his 6th year as a Legion Baseball Coach. He coached Wing-Tuttle-Robinson for three years and two years as the Bismarck Royals head coach.

The 1995 season will be Steve's first with the Scarlets. Steve really enjoys working in the Bismarck Legion system and is excited about the upcoming season.

TROY OLSON

Troy Olson

ROYALS COACH

Troy Olson's Legion career in Bismarck went from 1984-1987. He began as a Royal and was a member of the 1986 State Champion Governors. After high school, he went on to play for UND for two seasons, spending the summers as the varsity assistant with the Dickinson Legion program. He also spent one season as an assistant at Century High. He is coming off a two-year term working as the Babe Ruth Coordinator for the Bismarck Park District, and just finished his second season as head coach for the Bismarck High Baseball Club. He looks forward to this first year coaching in the Legion program. He and his wife, Tara, are expecting their first child in July.

FALL IN LOVE WITH YOUR KITCHEN AGAIN

If you're looking to spruce up your kitchen but don't want to spend thousands of dollars in re-finishing or replacing, you need a Kitchen Tune-Up.

Kitchen Tune-Up is a nine step reconditioning process that will restore your wood and laminate surfaces. This is not refinishing. A Kitchen Tune-Up leaves no mess, has no drying time and leaves no smelly or harmful fumes.

So if you're ready to fall in love again, give us a call. We offer free courtesy demonstrations with no obligation.

Medcenter One Health Systems A New Choice For Orthopedic Care.

William Canham, MD

Philip Gattey, MD

Gerard McKenzie, MD

You deserve the finest care. We require the finest doctors.

Three orthopedic surgeons—William Canham, MD, Philip Gattey, MD, and Gerard McKenzie, MD, comprise the Orthopedic Center at Q & R Clinic/Medcenter One Health Systems. The physicians are specialists in bone and joint pain, joint replacement, fractures, arthritis and athletic injuries.

Dr. Canham received his medical degree from Dalhousie University, Halifax, Nova Scotia, where he also completed an orthopedic surgery residency. He completed a fellowship in orthopedic surgery at the University of Toronto, St. Michael's Hospital. His medical practice has been devoted to orthopedic surgery for the past ten years. He was head of orthopedics at Dartmouth (Nova Scotia) General Hospital and also chief of surgery. Dr. Canham is a member of the Canadian Orthopedic Association, Canadian Medical Association, the Alpha Omega Alpha Honor Medical Society and numerous other medical societies. He is a fellow in the Royal College of Surgeons of Canada.

Appointments can be scheduled with Dr. Canham, Dr. Gattey and Dr. McKenzie by calling Q & R Clinic, 222-5201.

**Specialists in bone and joint pain,
joint replacement, fractures, arthritis
and athletic injuries.**

Dr. Gattey received his medical degree from the University of Saskatchewan, Saskatoon, and completed an orthopedic surgery residency at the University Hospital. He completed fellowships at Sunnybrook Hospital, Toronto, and at Hospital Universitaire, Geneva, Switzerland. Prior to joining Medcenter One Health Systems he was an orthopedic surgeon at Prince George (British Columbia) Regional Hospital and previous chief of surgery at Moosejaw Union Hospital. He is a member of the Canadian Orthopedic Association and is a fellow in the Royal College of Surgeons of Canada.

Dr. McKenzie received his medical degree from the University of British Columbia, Vancouver, and completed orthopedic surgery residencies at Vancouver hospitals. Prior to joining Medcenter One Health Systems he was chief of surgery at Prince George (British Columbia) Regional Hospital. He is a fellow of the Royal College of Surgeons of Canada and of the American Academy of Orthopedic Surgery.
