Again, we are fielding three teams, the Governors "A" and two "B" teams, the Scarlets and Royals. The players are enthusiastic, full of desire, and very optimistic. All they need is your encouragement and support to make this season entertaining and fun for all.

Thanks to the organization and businesses that have supported us in the past and again this year. With community support it has made baseball an excellent summer program. Thanks again.

Many hours of hard work from a fine committee of volunteers and a capable coaching staff are essential in making the baseball program a success. I extend the appreciation of the players and myself to you for a job well done.

We welcome all visiting team members and fans to Bismarck. If we can help to make your stay more comfortable, please contact any of the following committee members.

# Bismarck American Legion Baseball

The Bismarck 1997 American Legion Baseball Program will consist of three teams - the Governors, Royals, and Scarlets. Our goal in 1996 is that all interested ballplayers be given the opportunity to try out Legion baseball in Bismarck. The Governors, our "A" varsity team, will play about a 80 game schedule. Post-season play will include the State Tournament in Wahpeton.

North Dakota American Legion Baseball is set in two divisions geographically, East and West. Bismarck is a member of the Western Division along with Mandan, Dickinson, Minot, and Williston. The state champion then enters a Regional Tournament against South Dakota, Minnesota, Iowa, Nebraska, Kansas, and Missouri Champions and a host team. The winner of that tournament advances to the American Legion World Series to determine the National Champion.

This season the Bismarck American Legion Baseball Program will again sponsor two "B" teams - the Scarlets and Royals. The Scarlets will consist of 15 players in the 14 - 16 year age bracket, and will play approximately 60 games. The Royals will carry about 15 players in the 14 - 15 year age bracket, and will play about 50 games. Squad members on the Scarlets and Royals are chosen on a leveled structure parallel to a junior varsity - sophomore team setup. Practices begin the middle of May, with the season concluding the 3rd week in July with participation in a District Tournament. There is an opportunity to advance to Regional and State competition for the district winner. Weather permitting, practices are held each day that games are not scheduled.

We welcome any interested youth between 14 and 16 years of age to try out for this program. It is an opportunity to be exposed to a high caliber of baseball in preparation for a varsity career. This is accomplished by spending the practice times on the basic fundamentals of the game. Although roster numbers are limited, we are

hopeful that the two-team structure will allow any interested young man the opportunity to become a quality baseball player.

Historically, the Bismarck American Legion Baseball Program has been financed by the Lloyd Spetz Post No. 1, which donates a portion of the costs of the program. The Lloyd Spetz Post No. 1 and its Athletic Committee are particularly grateful for the money, services, and time donated by the many individuals, organizations, and businesses which is a vital part of funding this program.

The Program has much to offer any young man that is involved with it. Along with providing an opportunity to play baseball at a top-notch level, it can provide an opportunity to make friends, to do some traveling, learn the game of baseball, and belong to a prestigious organization such as American Legion Baseball.

The Bismarck American Legion Baseball Program, along with the Bismarck Parks and Recreation also co-sponsors the Bismarck Babe Ruth Program. Although the major objective we wish to achieve is a recreational activity for this age group, we also wish to develop baseball skills to enable participants to become better players and fans.

The Babe Ruth League consists of young athletes in the 13-18 yr. old age range. Players graduating from the Youth Baseball Program into the Babe Ruth League will find a more organized, more disciplined, more competitive type of baseball in order to develop their baseball skills.

Coaches for Babe Ruth League teams are people who have an interest in the development of youth and their talents. Whenever possible, the umpires for regular league games are chosen from the assistant supervisors of the Parks and Recreation Youth Baseball Program.

**World Class Training For All Athletes.** . . You don't have to be a professional athlete to have a sports training program designed to meet your specific needs. In fact, most of the athletes at the Human Performance Center at St. Alexius are high school, college and recreational athletes who want to reach their maximum potential.

That's why the Human Performance Center has designed Activity Specific Resistive Training. General motions involved in a specific sport are enhanced by using a specially designed resistive sport cord to maximize strength development for specific muscles.

Activity specific resistive training is used in combination with other Acceleration training principles: plyometric drills, weight training and a super-treadmill capable of speeds over 25 miles per hour.

The Human Performance Center also offers an Adult Fitness Program, FREE injury screenings, injury prevention tips and fitness memberships.

For information on our programs, or to schedule a free injury screening, call the Human Performance Center at 221-8100.

**GENE SEVERSON**

## **Gene Severson**

### **GOVERNORS COACH**

Coach Severson is a retired teacher from the Bismarck Public School System. He taught and coached at Northridge Elementary 30 years before retiring in 1993. He is a member of both the American Baseball Coaches Association and the Baseball Coach's Association.

Gene was a supervisor and coordinator of youth baseball for the Bismarck Parks and Recreation for 12 years before joining the American Legion Program. He was instrumental in organizing the Rookie League Baseball Program in 1977, the forerunner of the present Babe Ruth Program for 13-15 year olds. Coach Severson served as the varsity assistant during the 1978 season and was the Scarlets coach from 1979-1994. The Scarlets won the state 'B' championship in 1993.

Gene was the recipient of the Norwest Bank sponsored "Gold Award" in December, 1980 for his service and dedication to the youth of Bismarck. The Northridge Elementary School gymnasium was named and dedicated in his honor in September of 1988 for 30 years of coaching and supervising elementary sports programs at Northridge.

This is his 3rd year coaching the Governors.

He and his wife, LeAnn, reside at 3128 Manitoba Lane.

**BILLY LORENZ**

## **Billy Lorenz**

### **GOVERNORS ASSISTANT COACH**

Billy spent his legion career playing for the Sawyer-Surrey Blue Sox from 1985 - 1989. He was a member of the 1988 State Runner-up team and a member of the 1989 Championship team.

After high school, Billy went on to play four years of varsity football at Minot State University. He just finished his second year of teaching K-8 Physical Education and 6-8 health at St. Mary's Grade School.

This will be Billy's second season with the Bismarck Legion program. Last year he coached the Royals. This will be his first year assisting for the Governors.

## A SPECIAL THANKS TO PARENTS

Post 1 Bismarck American Legion Baseball specially thanks all baseball parents, past and present. Baseball parents are involved in all activities to run the Post 1 baseball program as a quality and competitive program. The Bismarck American Legion Post 1 Baseball program enjoys its success due in large part to the volunteer efforts and participation of baseball parents and their families.

To All Baseball Parents, Post 1 Sends A Special Thank-You!

## FALL IN LOVE WITH YOUR KITCHEN AGAIN!

If you're looking to spruce up your kitchen but don't want to spend thousands of dollars in refinishing or replacing, you need a Kitchen Tune-Up.

Kitchen Tune-Up is a nine step reconditioning process that will restore your wood and laminate surfaces. This is not refinishing. A Kitchen Tune-Up leaves no mess, has no drying time and leaves no smelly or harmful fumes.

So if you're ready to fall in love again, give us a call. We offer free courtesy demonstrations with no obligation.

**STEVE FOLMER**

## Steve Folmer

### SCARLETS COACH

Coach Folmer was born and raised in Wing, ND. He played his high school and legion baseball for Wing-Tuttle-Robinson.

Steve is in his 3rd year as coach of the Scarlets and his 5th year overall in the Bismarck Legion system having coached the Royals for 2 years.

When Coach Folmer is not coaching baseball he serves as an Elementary School Counselor which he enjoys very much.

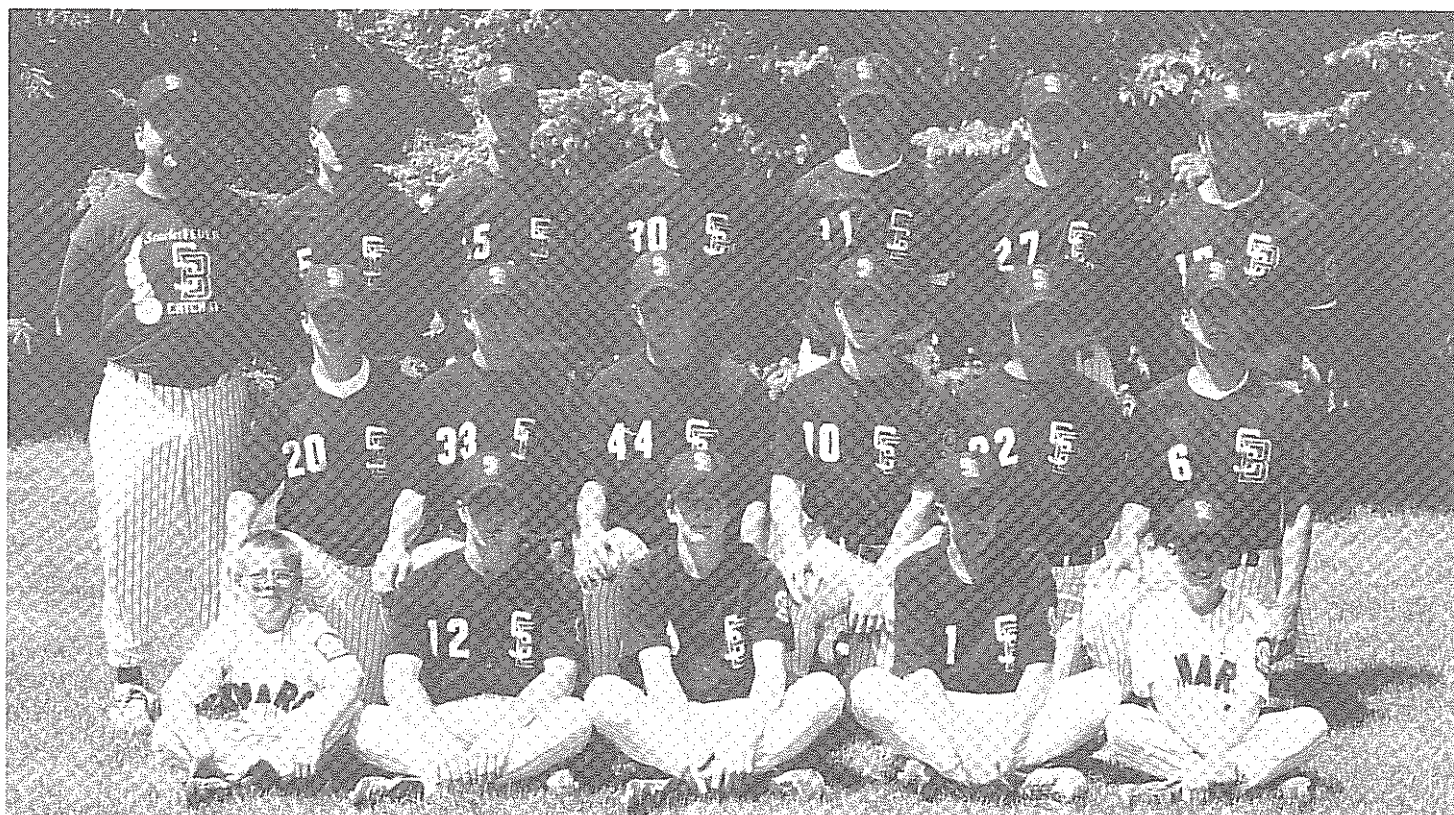

Steve and his wife, Roxanne, are the very proud parents of Alexis, who will have her first birthday in July.

TROY OLSON

## Troy Olson

ROYALS COACH

Troy Olson's Legion career in Bismarck went from 1984 - 1987. He began as a Royal and was a member of the 1986 State Champion Governors. After high school, he went on to play at UND for two seasons, spending the summers as the varsity assistant with the Dickinson Legion program. He also spent one season as an assistant at Century High. For the past four years, he served as the head coach for the Bismarck High School Baseball Club.

In the summers of 1993 and 1994 he was the Babe Ruth Coordinator for the Bismarck Park District. 1995 was his first summer in the legion program, where Troy coached the Royals. Last season, he was the assistant for the Governors. This is his second year coaching the Royals.

Troy and his wife, Tara, have two daughters, Tylie and Taya.

# YOU MAKE THE CALL

1. The batter triples with one out in the bottom of the ninth inning of a tie game. When the next batter steps up to the plate the defensive team brings in their infield to cut off the run at the plate. The batter rips a line drive down the third base line past a diving third baseman, but the runner on third gets hit with the ball while standing in fair territory and the ball bounds through the hole between shortstop and third. The runner on third limps home with the apparent winning run, safe or out? It's your call!
2. Jimmy Singleton singles with no outs and is followed in the lineup by Johnny Worth. Worth smacks a hard one-hopper at the opponent's first baseman. Singleton retreats to the bag, thinking it will be caught on the line drive. Realizing he has no chance of reaching second now since the first baseman has the ball, Singleton decides to stay on first base. The first baseman steps on first and then tags Singleton. Is Singleton out for not trying to advance a base or does the offensive team have one out and Singleton still on first? It's your call!
3. Rickey McKenzie is on third while Mike Appleton is on second for the Battle Creek Buffaloes. McKenzie gets a big lead and attempts to steal home. Appleton is napping at second base and does not attempt to steal third. As McKenzie crosses the plate on the stolen base attempt, he is hit with the pitch in the strike zone. Is the pitch a ball or a strike? Is the runner out for being hit with the pitch? What do you do with the runner on second base? It's your call!
4. Manager Helling sends Casey Driscoll in the pitch-hit. As you, the umpire, are writing down Driscoll's name, but haven't notified the scorer, Helling changes his mind and decides to pinch-hit George Malone instead. Can Helling make this change now and can he use Driscoll to pinch-hit later if he wishes? What if you had already motioned and an announcement has been made? It's your call!
5. Freddy Sterling rips a curling line drive down the right field line in fair territory. The right fielder attempts a diving catch, but wet grounds cause him to slide too far and the ball bounces off the bottom of his spikes and into the short right field bleachers. Home run or ground-rule double? It's your call!
6. The batter steps up to the plate and takes a mighty cut at a fastball. The catcher accidentally sticks his catcher's mitt in the way and tips the bat. The batter still manages to get his swing through quickly enough to knock the ball over the fence. Should the batter be awarded only first base because of the interference or should the homer stand? It's your call.
7. Hank Gordon is on first base with the score tied 4-4 in the ninth inning with two outs. Gordon breaks for second on a hit-and-run play and the batter executes perfectly by hitting the ball to the left by the vacating second baseman. But Gordon's helmet flies off as he races for second base and the ball caroms off the headgear and kicks down the right field line, allowing Gordon to come all the way around from first to score the apparent winning run. Do you allow the run or call him out for interference? It's your call!
8. The second baseman makes a diving play on a ball hit up the middle with a runner on first. The second baseman does not handle the ball cleanly and lunges for second base with his glove hand after picking up the ball with his bare hand and beats the runner. Is the runner out or is he safe because the second baseman didn't have the ball in his glove when he tagged the bag? It's your call!
