Athletic Officer

LLOYD SPETZ POST NO. 1

We welcome you to the 1987 baseball season. We are fielding three teams, the Governors "AA" and two A teams, the Royals and Scarlets. As 1986 State Champion, the players are enthusiastic, full of desire, and very optimistic. All they need is your encouragement and support to make this season entertaining and fun for all.

Thanks to the organizations and businesses that have supported us in the past and again this year. With community support it has made baseball an excellent youth program. Thanks again.

We welcome all visiting team members and fans to Bismarck. If we can help to make your stay more comfortable, please contact any of the following committee members.

Many hours of hard work from a fine committee of volunteers and a capable coaching staff is essential in making the baseball program a success. I extend the appreciation of the players and myself to you for a job well done.

COME TO THE GAMES, HAVE FUN AND ENJOY THE 1987 SEASON

David Wolf

GOVERNORS COACH

David Wolf is a native of Rolla, North Dakota. He participated in high school sports in Rolla and was a team member of Rolla's 1976 and 1979 State Class A American Legion Baseball championship teams.

David is a graduate of Mayville State College at Mayville, North Dakota. He was the Comet's starting catcher all four of his years at Mayville State. He was elected all-conference catcher his sophomore, junior and senior years.

David's coaching career began with Little League Baseball at Rolla, North Dakota, during 1980. The summers of 1981, 1982, and 1983 he coached the American Legion Baseball team at Mobridge, South Dakota and led that team to the South Dakota Class B Championship in 1981. While at Mobridge, he also was in charge of the city's Little League and Midget Baseball programs. David served as an assistant baseball coach at Mayville State College during the Spring of 1983 until his graduation from college.

During the 1984 baseball season, David coached the Willmar, Minnesota American Legion Baseball team to a second place finish in Minnesota and a seeding in the National Regional Tournament held at Rockport, Indiana.

During 1985 he coached the Bismarck Governors to a second place finish in the Class AA State Tournament. In 1986, he coached the Governors to the State Championship. During this past school year he has been an assistant coach at Emporia State College, Emporia, Kansas.

Wayne Horner

GOVERNORS ASSISTANT COACH

Coach Horner is a twelve year veteran of the Bismarck Legion Baseball Program. Wayne was first in uniform during the 1975 season as a batboy. Wayne was a member of the Governors 1982 State Championship Team and during the 1983 season led the team in all offensive categories.

Upon completing his Legion eligibility, Wayne accepted a scholarship to play baseball for Central Arizona College at Coolidge, Arizona, where midway in his freshman season he switched from second base to third base and during his two years at Central Arizona was no lower than third in the offensive team statistics in any category.

Wayne accepted a baseball scholarship to the University of Northern Alabama at Florence, Alabama to complete his 3rd year of college. He recently graduated from the University of North Dakota and plans to attend UND Law School this fall.

This is Wayne's fourth season as Assistant Coach of the Bismarck Governors.

Al Breuer

ROYALS COACH

Coach Breuer is a seventeen year veteran with the Bismarck American Legion Program. He is a graduate of Wyndmere High School and North Dakota State University where he was a varsity performer in basketball and baseball. In Bismarck, Al teaches, coaches and is the athletic director at Hughes Junior High School. He is also active in the amateur sports of basketball, softball, and volleyball. Coach Breuer and his wife Karen are the parents of two children, Tana and Jim.

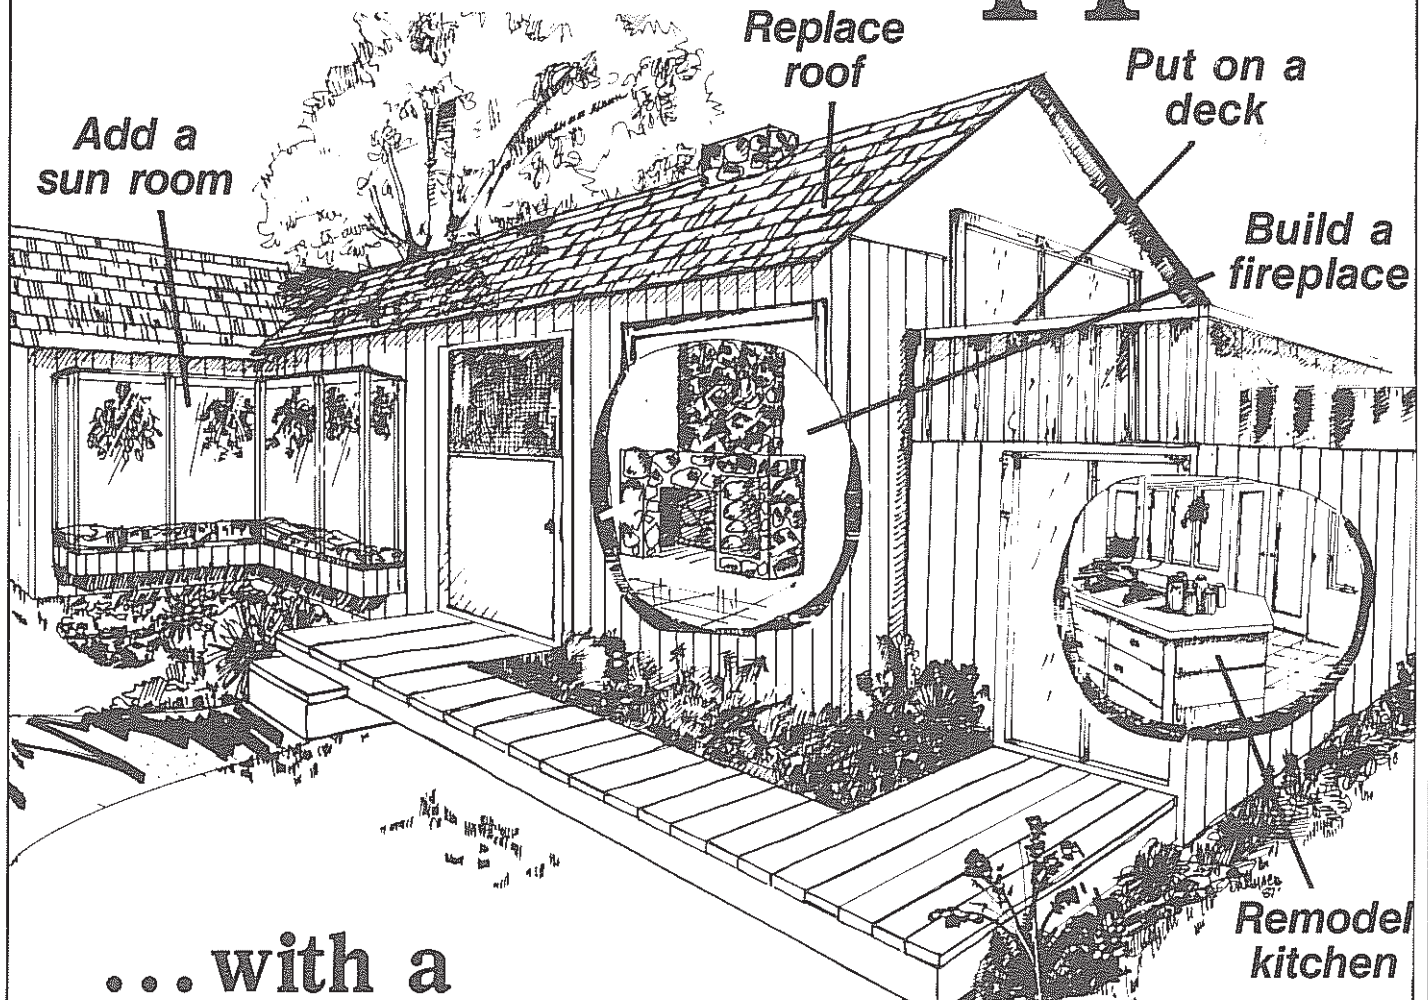

Gene Severson

SCARLETS COACH

Coach Severson is a teacher in the Bismarck Public School System. He is active in supervision of intramural activities and basketball coaching at the elementary school level. Gene was a supervisor and coordinator of Youth Baseball in the Bismarck Recreation System for 12 years. He was instrumental in organizing the Rookie League Baseball Program in 1977. Coach Severson served as varsity assistant during the 1978 season and as the Scarlets coach since 1979. Gene was the recipient of the Dakota Northwestern Bank sponsored "Gold Award" in December 1980, for his service and dedication to the youth of Bismarck. He and his wife, LeAnne, reside at 3128 Manitoba Lane.

On behalf of the St. Alexis Institute of Sports Medicine, we're pleased to be back again this year providing sports medicine coverage for the 1987 Legion baseball team.

One of us will be at each home game to assist the Governor's with pre-game taping and injury care.

As an added service, the Sports Institute also offers *free* injury screenings to any athlete injured during play.

We're located in the Medical Arts Building and open 9 a.m. to 5:30 p.m., Monday through Friday. To schedule a free evaluation, call 224-7102.

American Legion Baseball

The Bismarck 1987 American Legion Baseball Program will consist of three teams. The Governors, Royals, and Scarlets. Our goal in 1987 is that all interested ballplayers be given the opportunity to play Legion baseball in Bismarck. The Governors, our "AA" varsity team, will play about a 50 game schedule. Post-season play will include the Western Division Tournament in Bismarck and the State Tournament in Grand Forks. The 1987 "AA" All-Star game is slated in Bismarck, July 26th.

North Dakota American Legion baseball is set in two divisions geographically, East and West. Bismarck is a member of the Western Division along with Mandan, Dickinson, Minot, and Williston. At the end of the regular season, each division has a tournament to decide which teams will represent that division in the State Tournament. The state champion then enters a Regional Tournament against South Dakota, Minnesota, Iowa, Nebraska, Kansas, and Missouri champions and a host team. The winner of that tournament advances to the American Legion World Series to determine the National Champion.

This season the Bismarck American Legion Baseball Program will again sponsor two "A" teams the Royals and Scarlets. Each squad will consist of 14-15 players in the 14 to 16 year age bracket. Each team will play approximately thirty-five games with practices beginning the middle of May, the season concluding around the first part of August with participation in a district tournament. There is an opportunity to advance to Regional and State competition for the district winner. Most games are scheduled during the week in order to leave weekends free for family activities.

Weather permitting practices are held each day that games are not scheduled. The Royals practice time is 12:30 p.m. and the Scarlets practice time is 10:00 a.m. Squad members are chosen by position in an effort to make each team equally competitive.

Each team member will be provided with a uniform, cap, and carrying bag. The players furnish their own gloves, shoes, and personal equipment.

We welcome any interested youth between 14 and 16 years of age to try out for this program. It is an opportunity to be exposed to a high caliber of baseball in preparation for a varsity career. This is accomplished by spending the practice times on the basic fundamentals of the game. Although roster numbers are limited, we are hopeful that the two-team structure will allow any interested young man the opportunity to become a quality baseball player.

Historically, the Bismarck American Legion Baseball Program has been financed by the Bismarck Legion Club which donates a portion of the costs of the program. The Lloyd Spetz Post No. 1 and it's Athletic Committee are particularly grateful for the money, services, and time donated by the many individuals, organizations, and businesses which is a vital part of funding this program.

The program has much to offer any young man that is involved with it. Along with providing an opportunity to play baseball at a top-notch level, it can provide an opportunity to make friends, to do some traveling, learn the fame of baseball, and belong to a prestigious organization such as American Legion Baseball.

The Bismarck American Legion Baseball Program, along with the Bismarck Parks and Recreation also co-sponsor the Bismarck Rookie League. Although the major objective we wish to achieve is a recreational activity for this age group, we also wish to develop baseball skills to enable participants to become better players and fans.

The Rookie League consists of young athletes who have completed the 7th, 8th, and 9th grades. Players graduating from the Youth Baseball Program into the Rookie League will find a more organized, more disciplined, more competitive type of baseball in order to develop their baseball skills.

Coaches for Rookie League teams are people who have an interest in the development of youth and their talents. Whenever possible, the umpires for regular league games are chosen from the assistant supervisors of the Parks and Recreation Youth Baseball Program.

91 YEARS OF UNDERSTANDING PERSONAL INVESTMENTS

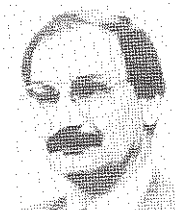

21 YEARS IN BISMARCK SERVING WESTERN NORTH DAKOTA

Since 1895 Piper brokers have recognized that investing is not a one-dimensional business. That different investments are right for different people, and that each individual's investment needs change over time. Investments also change as times change. At Piper Jaffray, understanding how the two go together never changes.

Team up with Gas for performance.

Modern, cost conscious homeowners depend on new, high efficiency gas equipment to heat their homes for maximum comfort; to heat water for bathing, showering, washing clothes and dishes; to cook their food both indoors and outdoors; and to dry their clothes.

Delivered right to your appliances or heating system, pollution free and quality controlled with no storage or handling problems, gas is the fuel of choice for performance and savings. **Insist** on it if you're buying, building or remodeling.

Gas. America's best energy value.
