ATHLETIC OFFICER

Lloyd Spetz Post No. 1

Welcome to the 1992 baseball season. Again, we are fielding three teams, the Governors "AA" and two A teams, the Scarlets and Royals. The players are enthusiastic, full of desire, and very optimistic. All they need is your encouragement and support to make this season entertaining and fun for all.

Thanks to the organization and businesses that have supported us in the past and again this year. With community support it has made baseball an excellent summer program. Thanks again.

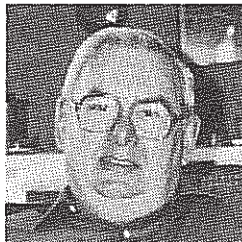

Many hours of hard work from a fine committee of volunteers and a capable coaching staff are essential in making the baseball program a success. I extend the appreciation of the players and myself to you for a job well done.

We welcome all visiting team members and fans to Bismarck. If we can help to make your stay more comfortable, please contact any of the following committee members.

Bismarck American Legion Baseball

The Bismarck 1992 American Legion Baseball Program will consist of three teams - the Governors, Royals, and Scarlets. Our goal in 1992 is that all interested ballplayers be given the opportunity to play Legion baseball in Bismarck. The Governors, our "AA" varsity team, will play about a 55 game schedule. Post-season play will include the Western Division Tournament in Bismarck and the State Tournament in Jamestown.

North Dakota American Legion baseball is set in two divisions geographically, East and West. Bismarck is a member of the Western Division along with Mandan, Dickinson, Minot, and Williston. At the end of the regular season, each division has a tournament to decide which teams will represent that division in the State Tournament. The state champion then enters a Regional Tournament against South Dakota, Minnesota, Iowa, Nebraska, Kansas, and Missouri champions and a host team. The winner of that tournament advances to the American Legion World Series to determine the National Champion.

This season the Bismarck American Legion Baseball Program will again sponsor two "A" teams - the Scarlets and Royals. The Scarlets will consist of about 15 players in the 15 and 16 year age bracket, and will play approximately 50 games. The Royals will carry 14 to 18 players in the 14 to 15 year age bracket, and will play about 40 games. Practices begin the middle of May, with the season concluding around the first part of August with participation in a district tournament. There is an opportunity to advance to Regional and State competition for the district winner. Most games are scheduled during the week in order to leave weekends free for family activities.

Weather permitting, practices are held each day that games are not scheduled. The Royals practice time is 12:30 p.m., and the Scarlets practice time is 10:00 a.m. Squad members are chosen by position in an effort to make each team equally competitive.

We welcome any interested youth between 14 and 16

years of age to try out for this program. It is an opportunity to be exposed to a high caliber of baseball in preparation for a varsity career. This is accomplished by spending the practice times on the basic fundamentals of the game. Although roster numbers are limited, we are hopeful that the two-team structure will allow any interested young man the opportunity to become a quality baseball player.

Historically, the Bismarck American Legion Baseball Program has been financed by the Lloyd Spetz Post No. 1, which donates a portion of the costs of the program. The Lloyd Spetz Post No. 1 and its Athletic Committee are particularly grateful for the money, services, and time donated by the many individuals, organizations, and businesses which is a vital part of funding this program.

The Program has much to offer any young man that is involved with it. Along with providing an opportunity to play baseball at a top-notch level, it can provide an opportunity to make friends, to do some traveling, learn the game of baseball, and belong to a prestigious organization such as American Legion Baseball.

The Bismarck American Legion Baseball Program, along with the Bismarck Parks and Recreation also co-sponsors the Bismarck Babe Ruth Program. Although the major objective we wish to achieve is a recreational activity for this age group, we also wish to develop baseball skills to enable participants to become better players and fans.

The Babe Ruth League consists of young athletes who have completed the 7th, 8th, and 9th grades. Players graduating from the Youth Baseball Program into the Babe Ruth League will find a more organized, more disciplined, more competitive type of baseball in order to develop their baseball skills.

Coaches for Babe Ruth League teams are people who have an interest in the development of youth and their talents. Whenever possible, the umpires for regular league games are chosen from the assistant supervisors of the Parks and Recreation Youth Baseball Program.

WORLD CLASS HEALTH CARE

WORLD CLASS TRAINING FOR ALL ATHLETES

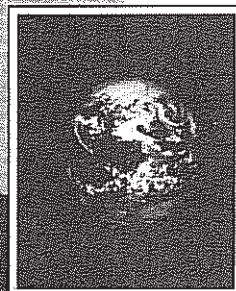

You don't have to be a professional athlete to have a sports training program designed to meet your specific needs. In fact, most of the athletes at the Human Performance Center at St. Alexius are high school, college and recreational athletes who want to reach their maximum potential.

That's why the Human Performance Center has developed

sports specific training to meet your athletic goals, regardless of your level of competition. We can help you throw farther, run faster and perform better.

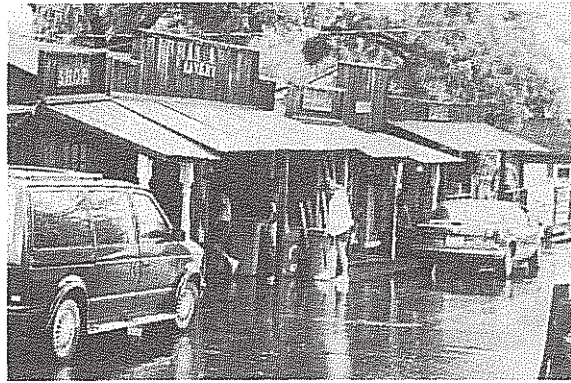

At St. Alexius, all of the athletes are considered world class and the staff takes time to custom design fitness and training programs for each person. In addition, the Human Performance still offers FREE injury screenings and injury prevention tips.

The Human Performance Center is another example of how St. Alexius aspires to provide world class health care according to the Medical Center's mission: "Let all be received as Christ."

Linda and Dwight Wrangham

One of our primary fund raising activities is our annual Pancake and Sausage Breakfast, which was held on Sunday, April 26th. The money raised goes to support our three baseball teams, the Scarlets, Royals and Governors.

Each player is asked to participate by selling tickets and helping with the food service. Many of our parents also participate as evidenced by the pictures.

We are extremely grateful to the many parents, players and coaches who assisted us this year and to those of you who purchased tickets and attended our breakfast.

The following firms donated products for our pancake and sausage breakfast this spring. Their generous support helped make our fund raising project most successful.
