Post Commander

Again, we are fielding three teams, the Governors "A" and two "B" teams, the Scarlets and Royals. The players are enthusiastic, full of desire, and very optimistic. All they need is your encouragement and support to make this season entertaining and fun for all.

Thanks to the organization and businesses that have supported us in the past and again this year. With community support it has made baseball an excellent summer program. Thanks again.

Many hours of hard work from a fine committee of volunteers and a capable coaching staff are essential in making the baseball program a success. I extend the appreciation of the players and myself to you for a job well done.

We welcome all visiting team members and fans to Bismarck. If we can help to make your stay more comfortable, please contact any of the following committee members.

To An Older Athlete

There are little eyes upon you,
and they're watching night and day,
There are little ears that quickly
Take in every word you say;
There are little hands all eager
To do anything you do;
And a little boy who's dreaming
Of the day he'll be like you.

You're the little fellow's idol,
You're the wisest of the wise,
In his little mind about you,
Can no suspicions ever arise;
He believes in you devoutly,
Holds that all you say and do,
He will say and do in your way
When he's grown up just like you.

There's a wide-eyed little fellow,
Who believes you're always right,
And his ears are always open,
And he watches day and night.
You are setting an example
Every day in all you do,
For the little boy who's waiting
To grow up to be like you.

Bismarck American Legion Baseball

The Bismarck 1996 American Legion Baseball Program will consist of three teams - the Governors, Royals, and Scarlets. Our goal in 1996 is that all interested ballplayers be given the opportunity to play Legion baseball in Bismarck. The Governors, our "A" varsity team, will play about a 70 game schedule. Post-season play will include the State Tournament in Williston.

North Dakota American Legion Baseball is set in two divisions geographically, East and West. Bismarck is a member of the Western Division along with Mandan, Dickinson, Minot, and Williston. The state champion then enters a Regional Tournament against South Dakota, Minnesota, Iowa, Nebraska, Kansas, and Missouri Champions and a host team. The winner of that tournament advances to the American Legion World Series to determine the National Champion.

This season the Bismarck American Legion Baseball Program will again sponsor two "B" teams - the Scarlets and Royals. The Scarlets will consist of 15 players in the 14 - 16 year age bracket, and will play approximately 60 games. The Royals will carry about 16 players in the 14 - 15 year age bracket, and will play about 55 games. Squad members on the Scarlets and Royals are chosen on a leveled structure parallel to a junior varsity - sophomore team setup. Practices begin in the middle of May, with the season concluding the 3rd week in July with participation in a District Tournament. There is an opportunity to advance to Regional and State competition for the district winner. Weather permitting, practices are held each day that games are not scheduled.

We welcome any interested youth between 14 and 16 years of age to try out for this program. It is an opportunity to be exposed to a high caliber of baseball in preparation for a varsity career. This is accomplished by spending the practice times on the basic fundamentals of the game. Although roster numbers are limited, we are

hopeful that the two-team structure will allow any interested young man the opportunity to become a quality baseball player.

Historically, the Bismarck American Legion Baseball Program has been financed by the Lloyd Spetz Post No. 1, which donates a portion of the costs of the program. The Lloyd Spetz Post No. 1 and its Athletic Committee are particularly grateful for the money, services, and time donated by the many individuals, organizations, and businesses which is a vital part of funding this program.

The Program has much to offer any young man that is involved with it. Along with providing an opportunity to play baseball at a top-notch level, it can provide an opportunity to make friends, to do some traveling, learn the game of baseball, and belong to a prestigious organization such as American Legion Baseball.

The Bismarck American Legion Baseball Program, along with the Bismarck Parks and Recreation also co-sponsors the Bismarck Babe Ruth Program. Although the major objective we wish to achieve is a recreational activity for this age group, we also wish to develop baseball skills to enable participants to become better players and fans.

The Babe Ruth League consists of young athletes who have completed the 7th, 8th, and 9th grades. Players graduating from the Youth Baseball Program into the Babe Ruth League will find a more organized, more disciplined, more competitive type of baseball in order to develop their baseball skills.

Coaches for Babe Ruth League teams are people who have an interest in the development of youth and their talents. Whenever possible, the umpires for regular league games are chosen from the assistant supervisors of the Parks and Recreation Youth Baseball Program.

Special
Thanks... to Duane Eichele for the cover photo!

GENE SEVERSON

Gene Severson

GOVERNORS COACH

Coach Severson is a retired teacher from the Bismarck Public School System. He taught and coached at Northridge Elementary 30 years before retiring in 1993. He is a member of both the American Baseball Coaches Association and the Baseball Coach's Association.

Gene was a supervisor and coordinator of youth baseball for the Bismarck Parks and Recreation for 12 years before joining the American Legion Program. He was instrumental in organizing the Rookie League Baseball Program in 1977, the forerunner of the present Babe Ruth Program for 13-15 year olds. Coach Severson served as the varsity assistant during the 1978 season and was the Scarlets coach from 1979-1994. The Scarlets won the state 'B' championship in 1993.

Gene was the recipient of the Norwest Bank sponsored "Gold Award" in December, 1980 for his service and dedication to the youth of Bismarck. The Northridge Elementary School gymnasium was named and dedicated in his honor in September of 1988 for 30 years of coaching and supervising elementary sports programs at Northridge.

This is his 2nd year coaching the Governors.

He and his wife, LeAnn, reside at 3128 Manitoba Lane.

TROY OLSON

Troy Olson

GOVERNORS ASSISTANT COACH

Troy Olson's Legion career in Bismarck went from 1984-1987. He began as a Royal and was a member of the 1986 State Champion Governors. After high school, he went on to play for UND for two seasons, spending the summers as the varsity assistant with the Dickinson Legion program. He also spent one season as an assistant at Century High.

He is coming off a two-year term working as the Babe Ruth Coordinator for the Bismarck Park District, and just finished his third season as head coach for the Bismarck High Baseball Club.

This will be his first year assisting for the Governors.

Troy and his wife, Tara, have a daughter, Tylie.

World Class Training For All Athletes. . . You don't have to be a professional athlete to have a sports training program designed to meet your specific needs. In fact, most of the athletes at the Human Performance Center at St. Alexius are high school, college and recreational athletes who want to reach their maximum potential.

That's why the Human Performance Center has designed Activity Specific Resistive Training. General motions involved in a specific sport are enhanced by using a specially designed resistive sport cord to maximize strength development for specific muscles.

Activity specific resistive training is used in combination with other Acceleration training principles: plyometric drills, weight training and a super-treadmill capable of speeds over 25 miles per hour.

The Human Performance Center also offers an Adult Fitness Program, FREE injury screenings, injury prevention tips and fitness memberships.

For information on our programs, or to schedule a free injury screening, call the Human Performance Center at 221-8100.

Dear Mom and Dad,

"I hope you won't get mad at me for writing this letter, but you always told me never to hold anything back and to bring it out in the open. So here goes . . . it's about Baseball."

"You're always embarrassing me. Yesterday when I went for an extra base trying to score, I fell, and well, Mom, I could hear you yelling at the catcher for tagging me out. Gosh, Mom, it wasn't his fault. He's supposed to keep me from scoring."

"Then do you remember yelling at me to get closer to the base? Well, gee I didn't know what to do then, cuz the coach told me to play my position and I couldn't if I listened to you. So while I tried to decide what to do, the other team scored against us. Then you yelled at me for being in the wrong place. I wish you'd yell some good things at us sometimes."

"Dad, you're always yelling to hit a home run, gosh, I'd rather just hit a single than sit on the bench because I struck out. Besides, my coach tells me to just try to make contact with the ball and get on base. That way it's a team game and everyone is contributing no matter if we win or lose. I'm not saying that all coaches teach that way, but our coach tells us we've got lots of time to learn how to hit for power and homeruns."

"But what really got me mad, Mom and Dad, was what happened after the game. You shouldn't have jumped on the coach for pulling me off the field. He's a pretty good coach and he knows when he needs a strong fielder. Besides he's a person who comes to the ball park at all hours to help us kids, cuz he likes sports and he likes kids. And then neither of you spoke to me the whole way home. I guess you think I'm just a lousy baseball player. And I guess I am. But I love baseball. I like being with the other kids and learning how to compete as a good sport in a really great sport."

I guess what I'm trying to say, Mom and Dad, is I wish you were good sports cuz I thought I was playing baseball for fun, to have a good time, to learn how to play a sport as a team member and learn sportsmanship."

"I didn't know you were going to be upset because I couldn't become a star."

BIG news for small business

*The new AT&T PARTNER II® R4.1 System brings
Call Center functionality to small business users.*

IT's a first. With the release of the AT&T PARTNER II R4.1 System, small business owners and operators can now enjoy the many benefits that Call Center technology has brought to big business.

For your customers

With the PARTNER Reporter, unanswered and interrupted calls will be a thing of the past. The PARTNER Reporter can queue incoming calls, enabling your employees to answer calls on a 'first come, first served' basis. The system can also answer automatically with a customized greeting, place callers on hold, and provide music while callers wait for an attendant to answer. For small businesses that routinely handle a large volume of orders or customer queries by phone, it's simply the most efficient and equitable way of answering calls.

And for your business

The PARTNER Reporter also helps you manage your business, by providing call activity reports, including Peak Times of Day and Time Spent on Each

Call, Time Spent in Queue and Grade of Service reports. Where Caller ID service is available, abandoned calls can be immediately identified in an Exception Report, and can be followed up promptly. These management

- ✓ Enhance customer service
- ✓ Reduce abandoned calls
- ✓ Schedule staff more efficiently
- ✓ Manage your business more effectively

reports provide valuable information to assist with staff scheduling by identifying peak and low periods,

Get set!

PARTNER Release 4.1 introduces new telephones, featuring a stylish and comfortable design with rounded edges and buttons contoured to fit your fingertips. These all-new desk or wall-mountable sets will suit the decor and tastes of users around the world. The new PARTNER phones are the only sets in their class to feature dual lights on most buttons, adjustable displays, auxiliary ports on each set as well as full speakerphone support.

and the amount of time spent on every call. Reports can be viewed 'on screen,' printed locally, or uploaded to a central location.

It's your call

A Message from AT&T

As valued customers, we want to keep you informed about our part of the restructuring of AT&T. Our business unit, AT&T Global Business Communications Systems, will become part of a new communications equipment company, and our entire vertically integrated operation will transfer into that new organization. There will be no change in how we support you —

- The people you deal with will remain the same
- Your current AT&T equipment will continue to enjoy our support, and we'll continue to develop innovative new products to meet your needs, because our planning and Bell Labs teams remain.

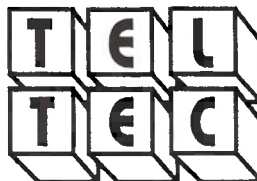

We remain committed to being your partner of choice. Together we'll continue to realize the wonderful new possibilities of the rapidly transforming world of telecommunications.

STEVE FOLMER

Steve Folmer

SCARLETS COACH

Coach Folmer was born and raised in Wing, ND. He played his high school and legion baseball for Wing-Tuttle-Robinson.

Steve is in his 2nd year as coach of the Scarlets and his 4th year overall in the Bismarck Legion system having coached the Royals for 2 years.

When Coach Folmer is not coaching baseball he serves as an Elementary School Counselor which he enjoys very much.

Steve and his wife, Roxanne, are expecting a baby in late July.

FALL IN LOVE WITH YOUR KITCHEN AGAIN

If you're looking to spruce up your kitchen but don't want to spend thousands of dollars in refinishing or replacing, you need a Kitchen Tune-Up.

Kitchen Tune-Up is a nine step reconditioning process that will restore your wood and laminate surfaces. This is not refinishing. A Kitchen Tune-Up leaves no mess, has no drying time and leaves no smelly or harmful fumes.

So if you're ready to fall in love again, give us a call. We offer free courtesy demonstrations with no obligation.
